

CLIMATE CHANGE:

NAVIGATING THE CHALLENGES OF A PERPETUAL FIRE SEASON

AN EXCLUSIVE SCNG VIRTUAL EVENT

Keynote speaker:

Secretary Wade Crowfoot,
National Resource Agency

THURSDAY, APRIL 8, 2021

1:00 - 2:30 PM

Zoom session access link:

<http://bit.ly/1climate4-8>

Don't miss this timely and informative presentation on a important topic that concerns us ALL!

Discussions will center on providing practical approaches to wildfires, identifying problems and focusing on immediate and long term solutions. Panelists will include a mix of regional fire department officials along with representatives from local government and community development organizations.
